

## A Total Tax Solution

*Dennis Tomaras and Michael Norbury, partners in the Madgwicks' Taxation and Revenue Group are proud to announce their new association with GST specialist Ken Fehily, partner of Fehily Advisory. The association between the Madgwicks' Taxation & Revenue Group and Fehily Advisory can now provide clients with a seamless commercial and innovative solution for all of their taxation needs.*

The Madgwicks Taxation & Revenue group / Fehily Advisory association can assist with every aspect of tax including the following:

- Income tax planning;
- GST planning;
- Business structuring and restructuring;
- Real property - income tax and GST issues associated with - acquisitions, disposals and sub-divisions;
- Planning for mergers and acquisitions;
- Stamp duty, payroll tax and land tax;
- Dispute resolution with the ATO or various State Revenue authorities; and
- International tax planning.

This association is unique, in that you will be dealing directly with the partners at all times. The team can also tailor an engagement that suits your situation, whether by way of a retainer, a fixed fee, or an hourly based billing arrangement - the driver being that you receive responsive, definitive advice when you require it.

Dennis Tomaras and Michael Norbury each have over 20 years experience in providing complex taxation and revenue advice associated with business and international structuring, merger and acquisition transactions, dealing with revenue authorities, and are viewed by their clients' as trusted business advisers.

Ken Fehily is one of Australia's foremost experts on GST and has advised numerous large companies (both public and private) and high net worth individuals on indirect tax matters over his 30 plus years in this field. Ken has an in-depth understanding of the senior decision makers within the Australian Taxation Office and Treasury, and prides himself on providing commercial advice and direction in a direct and collaborative manner with his clients.
